

THE COVID CONSPIRACY

All of humanity has been simultaneously programmed worldwide in a real time exercise of epic proportions

Humanity is being programmed to accept the current, tyrannical state of emergency as the “new normal” with their “safeguards” being put into place for “our protection.” **This is a war for control of our minds.**

In this two-hour community presentation, Dr. Sherri Tenpenny takes the audience through The Eight Elements of COVID:

- Part 1 - Same Playbook, Different Virus
- Part 2 - Laws and Liabilities
- Part 3 - The Myth of the Mask
- Part 4 - What Distancing and Spying Really Mean
- Part 5 - Testing: WHAT are we doing?
- Part 6 - The Vaccine
- Part 7 - The Therapeutics
- Part 8 - Fighting Powers and Principalities

After hearing this information, you will be empowered to share it with others and encourage them to stand strong against the tyranny that is being poured out upon us.
